Ordering: Place all poultry and service orders 5 weeks in advance of your scheduled delivery date. When placing your order, keep in mind that chicks take 3 weeks to hatch, turkeys take 4 weeks, and muscovy ducklings take 5 weeks. When determining which quantity column to use for pricing, select the column which corresponds to the total quantity of chicks being ordered per breed. Example for **same** breed:
 (50 WR Pul + 50 WR Cox) = use the 100 price column for Pullets and for Cockerels.
 (48 ISA Brown Pul + 2 ISA Brown Cox) = use the 50-99 price column for Pullets and for Cockerels. Example for **varied** breeds:
 (25 ISA Brown Pul + 25 Black Sex Link Pul) = use the 25-49 price column of each respective breed.

Delivery & Special Handling: This will be charged on a per customer basis regardless of quantity, subject to HST.

Small Order Surcharge: There are no minimum quantity restrictions; however, a surcharge will be added for any orders of less than 10 birds. This does not apply to Ready-to-Lay Pullets. The Delivery and Special Handling Charge will also apply.

Ready to Lay Pullets: ISA Brown only. 18-20 weeks old. Beak Treat Included. Customer must supply container.
